SELECTMEN'S REPORT

Each year seem to be a challenge to the Board of Selectmen. This year was no exception, what with the resignation of the Chairman who had more than 19 years of experience.

With a newly elected selectman and an appointed one the task for the one remaining selectman with any experience in running town business has been really a monumental task, what with the increase of responsibilities plus trying to teach two new men the role of a good selectman. The sensitivity to the many problems that constantly arise during the year require a great amount of attention and judgment to resolve fairly and equally to all.

With the above statements are submitted the continuation of our Tax Map by Allen Plumb of Marlow in updating the land transfers and real estate changes.

During the year the Board of Selectmen met with the Selectmen of other towns to discuss problems of mutual concern with the hope of making better decisions and judgments for the poeple of Stoddard; traveled to Concord many times to discuss problems with the officials that seem to have the correct answers.

During the months of April, May, and June, more than forty (40) visits to property that had been reported changed on their inventories. Over 1100 inventories were sent to property owners as a new law required every one to return these, as a penalty would be assessed if not complied with. Many property owners failed to return their inventories at the appointed time.

The Planning Board has appointed a new Chairman, Nick Brett, and also replaced the vacancy created by Mr. Fowler, with a most competent man in Warran Tracy.

William J. Anderson of the Stoddard Press has agreed to Print this years Town Report and other forms, having done a very creditable job in the past year.

In our attempt to keep Stoddard's Tax Rate the fourth lowest of (234) towns and cities we have devoted the following in time and effort to maintain what we think the people of Stoddard want and expect of their officials.

Town Hall Meetings	58 times	188 hours
Property Assessments	40 "	164 "
Visits with Other Towns	13 "	68 "
Miscellaneous Hours		200 "
Total	111	620

These activites are vital to the people of Stoddard and the Town we all love so much.

We trust we will continue to receive your continued support and trust in order to continue these functions.

Respectfully submitted

Earle Wesson
Joseph Patnode
Carl Laurier

PLANNING BOARD REPORT

In 1978, the seven member board confined its work to action on subdivision requests for the most part.

A questionnaire was written and circulated to poll the town on growth and expectations of Stoddard residents in preparation for writing a master plan, as required by state law.

The purpose of the plan is to guide the development of our town, to promote health, safety, prosperity and general welfare and to prevent unregulated growth that could place very difficult financial demands on the present community. The plan must by law be a public record and can be adopted in whole or parts by the planning board as it is completed.

The planning board expects the writing of a comprehensive master plan will take about 2 years to complete with the help of interested people in the community. Open meetings are expected to be held to review progress of the plan and to get further input.

The Southwestern New Hampshire Regional Planning Commission in Keene will be helping the Stoddard planning board with survey information, land use advise and a wealth of experience gained in helping other small communities put together their plans.

Planning Board Members are:

Nick Brett, Chairman
Mary Lou Eaton
Alice Hamilton
Joseph Patnode
Frances Rumrill
W. Warren Tracy
Emile Vaillancourt

As you can see, it takes a lot to run an ambulance service. Although we received much help financially we need to look ahead. In the not so distant future new regulations will force us to purchase a newer ambulance in order to continue our service to you. We should begin now to set aside funds for the future. With your continued support, we can accomplish these goals.

POLICE DEPARTMENT REPORT

In the Town of Stoddard during 1978, the Police Department was called out over 200 times. In addition, we received over 150 calls that were able to be handled by telephone.

Complaints in 1978 ranged in category from disabled motor vehicles to child molesting.

All types of crime are increasing in Stoddard and your Police Department needs your help more than ever. Only when you are willing to report suspicious activities, sign statements or sign complaints can we do our job effectively.

Our officers are receiving continued training all during the year so that we may serve you better.

We look forward to a closer relationship and even greater cooperation this year between you and your Police Department.

REPORT OF THE LIBRARY & TRUSTEES

Regular library hours for 1978 were held Thurday Mornings 9:30 to 11:30, September through June, and Thursday evening 7:00 to 9:00 year round.

We would like to thank those people who made donations in 1978; they were Mrs. Susan Bach, Mrs. BenjaminBodell, Mr. Oliver Quist, Mrs. Alta Whippie, Mrs. Mary Conklin, Mr. and Mrs. Balcomb Goodspeed, Mrs. Eunice Fiske, Ben Albert, Miss Kim Cutting, Mrs. William Matthews, and Mrs. Frank Miney.

During the summer months the library is crowded with borrowers, but during the winter months interest slackens considerably. The school children do use the library a good deal, but we would like to see more interest on the part of the other residents.

HISTORICAL SOCIETY

Very interesting programs were held this year at the Stoddard Historical Society Meetings. Meetings are held four times a year with the annual meeting being held in August.

At the February meeting, Dean Eaton showed three films on antique toys, loaned by Mr. Barenholtz of Marlboro, N. H.

The May program was reminiscing about early days in Stoddard by Harriet Perkins and Pheroba Wilson.

In August, Mrs. Carole Cohen, Keene High School English teacher and supervisor of the project "Back-tracking", talked about the book Backtracking that was written as a bicentennial project by Keene High School students. A "Backtracking" book was bought for the Historical Building.

Speakers for the November meeting were Towar Arnold and Harold Kendall who told of their experiences starting and maintaining the Colony Museum in Keene.

The Historical Building and Hearse House were open to the public from the last Sunday in June to the last Sunday in August.

Old home days were held in July again this year. The Historical Society, in cooperation with the SPNHF, sponsored a Historical Hike and information meeting.

Another reminder that our meetings are open to everyone. They are held the third Monday of Feb., May, August and November. Refreshments are served.

Alan Rumrill
Secretary

THE STODDARD FIRE DEPARTMENT

We wish to thank all the residents and non-residents for their donations toward our resuscitator fund. At present we have raised $450.00, which will cover the cost of a new resuscitator and we hope to have it in time for town meeting.

Many thanks to the Ladies Auxiliary for splitting the cost of a First Aid Kit with the Fire Dept. A Cardiopulminary Resuscitation Course (CPR) was held at the Fire Station this summer and nine people attended from Stoddard, Gilsum, Marlow, and E. Alstead. Hopefully another course will be held this summer. There are presently seven people from town taking the Advanced First Aid and Emergency Care Course which is being held in Marlow. We hope that at the completion of this course these people will join our rescue squad.

This year the Fire Department responded to one brush fire, two chimney fires, three building fires; one car fire, one false alarm, two gas washes, four cover trucks, eight rescue calls, two auto accidents, one cat up a tree, and six water deliveries.

Lastly a reminder that we clean chimney's, pump out wells, and cellars at anytime for townspeople at no charge. Please call Rick Canfield, 446-3405 or Wallace H. Weaver, 446-3350 for any information.

We hope to see everyone at our Chicken Barbeque again this summer and thank them for all their support over the past year.

REPORT OF STODDARD DOG OFFICER

I was appointed as dog officer in September 1978. From that time through December 31, 1978, I acted on five calls.
They were as follows:

2 Stray Dogs	Taken to Humane Society
1 Stray Cat	Taken to Humane Society
1 Barking Dog	Returned to owner
1 Underfed Dog	Investigated - found to be false

You may be interested to know that the State of New Hampshire, Dept. of Fish and Game reports an average of one deer per day killed by dogs in Cheshire County.

There were six complaints of dogs chasing deer in Stoddard alone. The sad part is these part-time deerslayers are usually the lovable family pet that is <u>some</u> of the time curled up by the fireside.
